

# About Us

Have you been looking for an awesome birthday party idea, a great place to play videos games, watch sporting events, karaoke, or to host a private movie night with the family? On The Spot Entertainment provides the ultimate no stress – no mess party experience! We are the best Entertainment idea for any event.

Your event will be enhanced beyond comparison when our 24' limousine styled Entertainment Center rolls up to your party location! Inside our Entertainment Center, we provide comfortable seating for up to 20 guests, 10 4k TVs. Equipped with surround sound, and all of the most popular video gaming systems. Our mobile Entertainment Center is climate controlled, so we're ready to party year-round! Our trained staff knows how to keep the fun and excitement going.

We are a gaming truck and so much more.

Book On the Spot Entertainment for your next event.

We will bring the fun to you!

## Virtual Reality

Virtual reality (VR) is the hottest technology on the market. With all the buzz surrounding virtual reality, now is the time to bring it to your next event. This unique experience fits well with any event and creates lasting memories.

## Entertainment Kiosks

The entertainment kiosks are the newest addition to OTSE. Each entertainment kiosk is outfitted with two TVs that can be connected to any gaming console. They can be added to your event as an add-on or booked separately for smaller events. Ask about how our entertainment kiosks can bring the fun to your next event!
